

The GIVE BACK CREW needs YOU!

What is the GIVE BACK CREW?

The **GIVE BACK CREW** is a group of folks who volunteer at different community events and causes throughout Allen County as a way to say thank you to the support shown by our community for people with developmental disabilities. The **GIVE BACK CREW** consists of professionals in the field, individuals with disabilities, family members, community partners, and people from our FANS Network.

How does it work?

It is easy - just tell Sarah Troyer, Community Outreach Specialist at the Allen County Board of Developmental Disabilities, that you are interested in serving on the crew. She will e-mail you details of volunteer opportunities and you can choose whether you want to participate in that specific event.

Show our community we care!

The **GIVE BACK CREW** is a great way to send the message to our community that we appreciate all they do for people with developmental disabilities. Anyone is welcome to join. You can volunteer once or lots of times. Come check it out and tell your friends.

For more information about the **GIVE BACK CREW** please contact Sarah Troyer at stroyer@acbdd.org or 419-221-1385 ext. 1008.
