

You Can Make A Difference in Someone's Life!

Making A House A Home

We need your help! The FANs Network is the “Welcome Wagon” for individuals receiving services through the Allen County Board of DD who are moving into the community or into their own place for the first time. We aim to help provide the necessary household items to make their house a home. It’s pretty simple! You may donate gently used items, garage sale items, or even brand new items for the home. We have space to store the donations until moving day. We also match donated adaptive equipment to individuals who need help getting around in their homes and in the community. Once we become aware that there is a need, we will do our best to help gather the items needed to make their house a home.

*Home is where
you hang
your heart* 

If you would like to help, just call or e-mail Sarah (419-221-1385 ext. 1008 or stroyer@acbddd.org) when you have some things to donate (there’s a list of ideas if you need it). Do you like to get out and about and meet new people? Let us know, and we’ll call you when it’s time to deliver!! Do you enjoy food and cooking? You could provide a home cooked meal or supplies to cook a quick meal for move-in day! There are lots of ways that FANs can help Make a House a Home!
