

As part of the Provider Partnership Pilot Project, the Allen County Board of DD will be hosting monthly “Learning Lunches” for direct support professionals. The hope for these lunches is that valuable information will be shared with staff, giving them tools beyond the required training pieces that will assist them to be the best staff they can be for the people we serve!

Learning Lunch #1

“So You Want to Make a Difference”

Wednesday, July 12, 2017
Allen County Board of DD
Marimor School Room 120
